

Stevan Palmer

Assistant Director
Rural Community Assistance Corporation
SPalmer@rcac.org

Stevan Palmer joined RCAC in 2003 as a Technical Assistance Provider with a background as a Drinking Water and Wastewater operator. Through the years, he assumed positions of increasing responsibility within the Community and Environmental Services Department, and in 2019 became an Assistant Director, with oversight over eight Western States and multiple programs, including the USEPA Region 10 Environmental Finance Center.
